01

Before using your Pintor marker on it, **wash and dry the plastic surface.**

02

To prime, **shake** your Pintor marker **around 20 times** and **press it 3-4 times** on a piece of scrap paper, until the ink starts to flow.

03

Unleash your imagination and customise!

04

Apply 2 coats to get strong and vibrant colours. **Let the first coat dry** before applying another layer... you can use a hairdryer to go faster!

05

For a lasting finish, **spray on a water-based varnish** on your creation.
