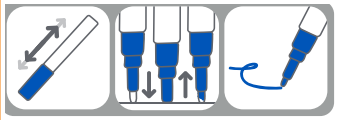
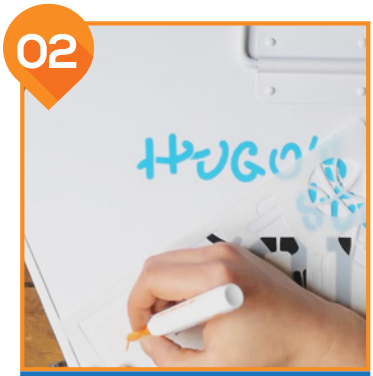
01



To prime, **shake** your Pintor marker **around 20 times** and **press it 3-4 times** on a piece of scrap paper, until the ink starts to flow.

02



Unleash your imagination and customise!
Position your stencil and secure firmly in place.

03

Apply 2 coats to get vibrant colours and great coverage.

04

Let the first coat dry before applying another layer…
You can use **a hairdryer** to go faster!

05

For a lasting finish, **spray on a water-based varnish** on your creation.
